Welcome to Provenance Rehabilitation!

Thank you for entrusting us with your physical therapy needs. One of our main priorities is to provide a setting that is comfortable to you. Our goal for your first visit is for you to leave with a sense of hope and optimism about your condition and the plan of care that we establish with you.

We look forward to having you as a client.

What makes Provenance Rehabilitation unique?

- All patients receiving treatment at Provenance Rehabilitation have some form of pelvic pain and/or dysfunction (incontinence, organ prolapse, painful intercourse, or pregnancy-related conditions).
- Our therapists are thoroughly trained with over 25 years of experience, capable of providing the service and care that you need.
- We treat both women and men who are experiencing pelvic-related issues.
- Our patients are referred from health care providers from all over Georgia, the Mayo Clinic in Florida, and from specialists in other states. We also have a large percentage of patients who refer themselves after finding us on the internet.
- Treatment always combines education about the condition, manual therapy, exercises, and home program instruction.
- One patient is seen at a time in a private room rather than an open setting. Our facilities have a strong focus on patient privacy and professionalism.
- We have a Facebook & Instagram page along with our website where we post articles about pelvic health conditions and patient stories that are relevant to our practice.
